

Hello, my name is Alex Watts and I work in the snack bar at The Winner School. I'm seventeen years old and a senior at Cottonwood Heights High School. (Whoo, go Colts!) I play the flute in both the Wind Ensemble and the Pep Band at my school. Although its very nerdy, I do love every minute of it! Aside from that I'm a big math geek and I love to read! If I happen to not be reading, you can find me hiking in the mountains, doing yoga, or cooking up some crazy concoction at home (which I have to say, usually turns out pretty tasty!)

The Winner School has always been like a home to me. I grew up going to dayschool and I have made some very good friends here that are still friends today. I love having the opportunity to work in a place where your coworkers are incredibly friendly and excited to see you. Also those kids, man they are the bee's knees! Being around their excitement and smiles, makes coming to work that much brighter! As my two and a half year old little brother enters The Winner School, I look forward to him being a part of the excitement, the knowledge, the friendship, and family away from home that The Winner School has and always will provide.
