

Miss Brittany

Hi! My name is Brittany Ward. I had the great opportunity to start at The Winner School in 2009 and have loved working here since! I have three wonderful and busy little boys of my own, and an amazing husband. I was born and raised in Salt Lake City and enjoy everything it has to offer! I graduated from Kearns High School in 2002. I then continued my education at the Salt Lake Community College, where I worked towards My Associates of Applied Science Degree. I hope to go back to earn a degree in Early Childhood Education.

I am so excited and thankful to have the opportunity to teach with some of the best teachers, and people I know! There is no joy like watching children grow, learn, and shape themselves into the people they are going to, someday, become.

I will be an assistant teacher for Miss Leslie in the 4 year old preschool, and the 4-5 Kinder Readiness class. I look forward to working with you, and your children this upcoming school year!
