

Hi, my name is Cidny McFarland. I have three children and all of whom have been students of Miss Sharron's 2 Year-Old Preschool Program. When the opportunity arose for me to join The Winner School team, I was thrilled because I have seen the value of this program. I will be assistanting Miss Sharron in the Wednesday and Friday Come and Play class as well as teaching the Tuesday and Thursday class. I love teaching! I feel privileged and am excited to be able to work with your child. I am looking forward to a great year!
