

December 2010

My supportive husband and step son

Hello, I am Miss Jackie and I have been with the Winner School since October 2001. I have worked with the Tigers, Bears, Rockets and Jazz classes. I have been involved in the preschool as well as writing and drama classes helping and/or writing original plays over the years. I've helped introduce Spanish, French and sign language to the Rockets.

In my past life I was a hair stylist (Provo) and a nanny (Bel Air). I studied theater in Hollywood with the Tracy Roberts Acting Studio and worked as a second assistant to the then CEO of Warner Brothers and his wife an Oscar/Grammy winning songwriter. I also spent many years working at a local talent agency.

In 1997 I married my first crush whom I met in the 7th grade. I have two step children who once spent summers in the Jazz programs, but are now all grown up. We are a family that likes to boat and fish and spend lazy days at Lake Powell. I am a sucker for old movies, anything art deco and Disneyland. I have a love for writing and spend Tuesdays with my writers group. On late evenings while I'm on the computer my writing companion is our loving cat Mookie (whom the kids are very familiar with by my many Mookie adventure stories).

I took a break last fall/winter but I'm glad to be back in the folds of the Winner School family.
