

JEN SANDER

Nothing happens by mistake: Ask & it will be given, seek & you will find, knock & the door will be opened. That's exactly how I ended up at this incredible place to work, surrounded by great positive people. I am so blessed to be part of this amazing school. I've always been passionate about children, teaching them, helping them, & being a good example to them. Anybody who knows me would say I'm simple, meek, kind, have a big heart, loving, patient, & that I'm excited about life. I always try to keep a good attitude & stay positive. I have a hunger for childhood development, learning, growing & self-improving. My favorite food is La Frontera smothered burritos. My hobbies are crafts, reading, & my family. I love to watch movies. I have a cat named Fuz. My favorite holiday is Thanksgiving cause I love food & family. I have an amazing husband who I've been married to for 3 years, he's a great leader & role model he's my best friend & I'm his angel.
