

Hi! My name is Leslie Wiser.

I started working here at the Winner School in 2005 and I have to say I LOVE my job! I get hugs every day all day and I'm told I look pretty just for wearing jewelry.

My husband Tim and I have been married since 1978 and have 4 amazing kids of our own. Erin is a "starving artist" in Portland, Baylee is the mother of our beautiful grandkids, (Alley who dances here at the Winner School and Jaxson who takes Karate here, too). Parker is our "Rock Star" and Ryanne is going to the U of U and is one of our dance teachers here. My family supports and encourages me in every adventure I take on and I love them dearly.

I worked at Smith's for 20 years where I met Miss Karen & became close friends. I have also worked for Robert's Crafts as a designer and at Millcreek Gardens planting custom planters. I enjoyed working as a substitute teacher and as a teacher's assistant for special needs children at Uintah Elementary.

I am excited to start another school year with Miss Brittany. We have a blast in our class getting to know each unique child.

Surrounding myself with children, both yours and mine, brings me unbelievable joy. Thank you for this gift. I look forward to getting to know you and your kids.

Miss Leslie
