

Hello. My name is Margaret Wight aka Miss Meg. I grew up in a small family of nine in Utah. I learned how to cook at six years old, and have been cooking ever since. I am the cook in the day time and part of the snack bar crew at night. I have been with the Winner School since February 2011. In my spare time, I love to play the piano, sew, read books, and spend time with my little family, whom I love very much. My little girl Jakki attends The Winner School and she loves it here! My boyfriend Landon completes our little family. He is really good on the guitar and Jakki and I love to sweet talk him in to playing for us. He also has a deep wealth of interesting facts that makes it very fun when we are talking about interesting topics like making glass, paper, or even why mountains appear blue when they are far away. Some of our favorite things to do are bake cookies and go on family picnics.
