

Nicole

H i s t o r y

I have been the Finance Manager for The Winner School since June of 2008. I was raised in Las Vegas, Nevada but most of my extended family loves here in SLC. I met my husband Nick when I moved to Utah in February of 2008. We have 2 beautiful daughters, Adilynn and Avery.

I have and Associates of Applied Science degree in Deaf Studies from the College of Southern Nevada. I enjoy most sports and used to play softball competitively until my freshman year in college. I still play co-ed softball as often as I can. My family enjoys camping, barbequing, and spending quality time with family and friends.
