

MR PHIL

Hello, I am Phil Sainsbury and I have been one of the bus drivers at The Winner School since August 2009.

The kids know me as Mr. Phil or "Santa". I love the kids, almost as much as my own grandkids, which I have 12 at this present time. I have raised 6 of my own children and they are my closest friends. I am married to a school teacher and she teaches at Plymouth Elementary School.

I retired as a meat cutter from Smith's in 2007. I then opened my own restaurant called "Fillet of Phillies" for one year, and then sold it. I also worked as security for the US Attorney Office for one year. I love my job now and enjoy working with children.

If you ride my bus, please bring your best smile! That always makes my day.
