

Hi, my name is Skylar Meyer. I've worked at The Winner School since January 2010. I am an artist, a photographer, a painter, a musician, and a heck of a guy! Yes ladies, I'm single. I attend The Art Institute of Salt Lake City for my bachelors degree in Photography and Digital Imaging. In my spare time I love working on my art, playing my guitar, spending time with my friends and family and having fun. My beautiful mom is the always smiling Miss Karen who works at the front desk at The Winner School. I have a lil bro named BJ that I love spending time with. I really enjoy coming to work and have learned a lot about cooking and preparing food. I look forward to making your next grilled cheese!
