

Miss Van

Hello, my name is Miss Van. This is my first year with The Winner School and I am so excited. My 5-year-old boy, Ian, attended the Winner School for two years and it has been an amazing time. The teachers here have really given him the confidence he needs to start kindergarten and he is so excited to get started. I also have a 2-year-old girl, Izzie, who will be attending the two-year-old program this year and she has already shown lots of interest in the school and teachers.

My experience with The Winner School has been so positive, I just had to be a part of it. I wanted to be part of a team that really enjoys teaching kids. The sincerity of the Winner School staff, the confidence they endure and pass on to the children here is nothing but the best. I feel so privileged to have the opportunity to be a part of your child's learning process and I can't wait to start playing and learning with them.
