

Hello! My name is Vicki O'Brien, alias Miss Vicki. I am always excited about The Winner School. This is my eleventh year teaching the three year old preschoolers. You may also see me working in the office and dance store. The Winner School is a wonderful place.

I was born in Las Vegas, Nevada and received a scholarship to go to the University of Utah and graduated with a bachelor's degree in 1987. I then used my degree in the field of health education and taught and developed cardiac rehab programs in two hospitals for over 10 years. I have a wonderful husband and three children. My children all attended 9 years of preschool at The Winner School. My children have also been in the dance and karate programs.

I am always excited about starting a new school year at The Winner School. This is a very special place to me, and especially for children to grow and learn and have lots of fun in the process! I look forward to teaching my students and meeting you this year!
