

Zach Van Dyke

I'm Mr. Zach and I am so excited to be working at The Winner School for my second year. I absolutely love the kids that come here and I am so lucky to be part of their lives. I've been working with kids for 3 years now and know that's what I want to do for the rest of my life. I'm currently in school studying Elementary Education to one day become a full time elementary teacher. During the summers I fight wild land fires with the Unified Fire Authority Wildland division and love it. I went to West Valley Fire Academy to complete fire training and Salt Lake Community college to get my EMT card.

I wouldn't be able to accomplish a lot of my goals in life, if it weren't for my best friend and wife Kellie. She is a wonderful human being that I love to be around. Helping people, sports and kids are my passions in life. I love my family and absolutely love my life!
